Appendix 15.3 Topographical Files

The topographical files in the National Museum of Ireland were consulted to determine if any archaeological artefacts had been recorded from the area. This is the National archive of all known finds recorded by the National Museum. It relates primarily to artefacts but also includes references to monuments and has a unique archive of records of previous excavations. The Topographical Files were searched for references to Srahmore, Attavally, Bangor and the surrounding townlands. The following references were found:

Townland: Attavally

Parish: Kilcommon
